RICK WAKEMAN THE MYTHS AND LEGENDS OF KING ARTHUR AND THE KNIGHTS OF THE ROUND TABLE & THE SIX WIVES OF HENRY VIII

**RELEASED 2 FEBRUARY 2015 VIA UNIVERSAL MUSIC
AVAILABLE ON CD/DVD, CD, LP & DIGITAL**

- **TWO OF RICK WAKEMAN'S MOST STUNNING ALBUMS EXPANDED FOR THE FIRST TIME ON 2 FEBRUARY**
- **FEATURES CD AND BONUS DVD**

London, 9 December 2014: Prog-rock legend **Rick Wakeman** will release two of his most successful albums as expanded CD/DVD Deluxe Edition packages for the first time. ***The Six Wives of Henry VIII*** and ***The Myths and Legends of King Arthur and The Knights of the Round Table*** will be repackaged and released via **Universal Music** on **2 February 2015**.

Rick Wakeman's pioneering use of electronic keyboards has created some of the most compelling prog-rock albums ever released. In 2015, ahead of his UK tour, Rick Wakeman will rerelease two of his most successful albums, *The Six Wives of Henry VIII* and *The Myths and Legends of King Arthur and The Knights of the Round Table*.

The Six Wives of Henry VIII is the first studio album from Rick Wakeman, reaching the UK album chart Top 10 and selling over 15 million copies worldwide. The instrumentally stunning album is based largely on Rick Wakeman's banks of keyboards, and also features former band mates from The Strawbs and Yes. It was certified Gold in America in 1975 and was awarded a Platinum Record at Midem.

Rick Wakeman's third studio album, *The Myths and Legends of King Arthur and The Knights of the Round Table*, reached Number 2 in the UK charts on original release. The album was inspired by Nancy Brysson-Morris's book 'The Private Life of Henry VIII', a childhood favourite of Wakeman's. The album reached Number 2 in the UK Album Charts, Number 21 in the US Billboard Charts and is his third consecutive album to be certified Gold.
